		What procedure is yo	our pet here for toda	/?	
		Spay (F) Neuter (M	Other:	-
		If pregnant or in heat,	do you still want to	continue with spay?	
		Yes	No	Only if in heat	
Place Label Here		Has your pet eaten any food or treats today?			
		Yes	No	If yes, what time:	AM_PM
		Would you like a com	plimentary nail trim	during the procedure? (FF	REE)
		Yes	No		
		Is your pet on any med	l ications and when d	id you last administer med	s?
Pre-Anesth	netic Blood Panel: We highly re	ecommend having blood work	c performed prior to a	nesthesia. This gives us inf	formation
regarding ye	our pet's overall health, gives us	a baseline of normal values t	to compare to in the f	uture, and helps detect ea	rly signs of
disease such as diabetes or kidney issues. If there is a concern moving forward with surgery, we will contact you with results first.					
Would	you like a pre-anesthetic b	lood panel? Yes	No	Cost \$1	35
recommend testing prior to surgery, results will be available at pick up. Would you like your cat tested today? Yes No Cost \$54 each Already Tested Circle One: Positive or Negative					
	ns: If your pet is <u>due</u> for vaccir	nations, we can administer v	while in the clinic. If	records are not provided	at the time of
